 Comment. The report supplements and continues previous information.

See

25X1A Comment. These cars are part of the 20,000 former German freight cars, which have been returned from the U.S.S.R. to the Soviet Zone of Germany since June 1951. This operation is scheduled to be completed by 31 December 1951. Part of the empty boxcars reportedly,

25X1A passing through Kuestrin may also belong in this category.
